

Snow Removal Policy

Snow Removal Policy

The Snow Removal Policy (SRP) will be in effect whenever snow removal signs are posted at the Switchboard, Regina lobby, at each of the campus entrances, residence hall floors, apartment buildings, and the Busse Center. All resident students will also be notified by email in order to verify the time the SRP will take effect and any additional information needed. Note: The SRP will not be placed into effect between 7:00 p.m. and 6:00 a.m.

All vehicles on campus, regardless of their running condition, must park as outlined below. Any vehicle not removed from designated areas will be ticketed.

Note: Dividing line for east/west ends of the Prairie Drive lot drawn from the emergency phone to the guard house.

Snow Removal Policy In Effect

Time	CAN Park	CANNOT Park
