Education

The Mount Mercy Education program prepares reflective teachers and leaders informed by scholarship, grounded in best practice, enriched by caring, and committed to responsive service in the “Mercy Tradition.” In order to achieve this mission, Mount Mercy provides for each prospective teacher a program of core curriculum, concentration in a major field of learning, varied field based experiences and a sequence of education courses leading to professional licensure by the State of Iowa. The curriculum for the Education majors, including endorsement areas, is under regulation and accreditation from the Department of Education in Iowa and is subject to change upon changes in regulation made by the State. The Education major aims to prepare students to: create equitable instructional opportunities; demonstrate knowledge of subject areas; use assessment to monitor student learning and inform their planning and decisions; and display positive dispositional qualities of effective teachers.

Career Opportunities

Graduates may select licensure and specific endorsements authorizing them to teach in a range of programs from preschool through secondary school. Public and parochial schools are the main employers of teacher education graduates. Additional career opportunities include service organizations and day care centers.

An Invitation to Teaching

All students should enroll in ED 106 An Invitation to Teaching, during the first semester or term in which they take education courses. They will obtain a Teacher Education Program (TEP) handbook at this time along with specific information about policies and the Performance Assessment System (PAS). Students will review the handbook, complete certifications necessary for field work, develop an awareness of the dispositional qualities of effective teachers, and an understanding of TEP program and screening requirements.

Field Experiences

Supervised field experiences with children prior to student teaching are an integral component of the Mount Mercy Teacher Education Program. A minimum of four field experiences are required of all students in education. Field experience is typically done on a regular weekly basis over the course of the term at state-approved public and non-public schools in the metropolitan area with certified teachers. These experiences provide students with opportunities to observe and to implement educational activities with individual pupils, small groups, and large groups under direct supervision of a certified teacher who models professional skills. Our standard practice is to avoid placing students in a school where they are employed, where a relative works, or where their children attend. Pass/Fail grading is used for field experience. Each field experience is associated with a specific course and a passing grade is required of all field experiences. Students are to attend field experiences throughout the entire semester or as scheduled for a specific course. Field experience expectations are specified within courses and in the Teacher Education Handbook.

Field Experience Requirements:
1. Enroll in ED 106 An Invitation to Teaching, as a co-requisite with the first education course taken at Mount Mercy.
2. Successful completion of certification in: blood borne pathogens, mandatory reporting and Virtus training
3. Comply with health and safety guidelines established by the Education Department. (see TEP)
4. Sign voluntary disclosure and waiver forms.
5. All field experiences are considered an integral component of the associated core courses and, therefore, successful completion of the course requires students to meet the stated performance criteria for course and field work. Students who fail to successfully complete either the course or the associated field are required to retake both the course and the field experience (see TEP Handbook).

Students seeking additional field experiences may enroll in ED 417 Field Experience for Education (see catalog course description).

Professional Development School Model

Junior level Education students will participate in a Professional Development School Model (PDS). Under this model, students will attend classes and have their experience in the local district building three mornings per week. This provides students with hands on experiences in a school setting as well as numerous observations of classroom teachers and their instructors.

Transfer Students

A maximum of two field experiences will be considered for transfer to Mount Mercy for credit in the education program. Students who have had the equivalent content of ED 102 Foundations of Education and ED 263 Educating the Exceptional Person but lack the equivalent field experience should enroll in ED 415 Field Experience or ED 416 Field Experience Exceptional Persons respectively.

Correspondence Courses

Correspondence courses are not accepted for required education courses. Correspondence courses may only be applied as elective credits toward the baccalaureate degree.

Life Experience Credit

The Iowa Department of Education will not accept credits awarded for “life experience” for any purpose.

Student Progress Review Form

An instructor may request to meet with a student to discuss specific areas of concern in one or more of the Education Program goal areas. The form is used to develop student awareness of goal areas and develop a plan for strengthening student performance. A student’s willingness to work with faculty on targeting goals, planning for improvement, and demonstrating progress may be an important step towards successful program completion. Student Progress forms are kept on file. It is the student’s responsibility to follow the plan and set future meetings with the instructor.

Education Department Promotion and Admittance

It is the responsibility of the Education Department Promotion and Admittance Committee to admit students who are academically capable and who have demonstrated a level of performance that indicates the ability to continue successfully in the program. A Performance Assessment System, fully described in the Teacher Education Handbook, helps students monitor their progress in meeting established criteria for each phase of their preparation. Feedback is provided as students complete courses, field experiences, and at each admittance level. There are four levels to the Education major. Students take initial major and endorsement courses in Level I. The
following courses are considered Level I courses, and a minimum 2.5 cumulative GPA is required before enrolling in these courses:

ED 102 Foundations of Education 3
ED 106 An Invitation to Teaching 2
ED 132 Children’s Literature 3
ED 253 Educational Psychology 3
ED 263 Educating the Exceptional Person 3

Before progressing to Level II courses, feedback will be collected from faculty members regarding students’ progression on identified TEP goals. Students will also develop a written reflection based on their own self-evaluation. Each student will meet with two faculty members to discuss this feedback and develop goals and action steps for Level II. A state mandated basic proficiency test (C-BASE) in reading, writing and math is also required to progress into Level II. The Department will also accept the PPST or CAAP proficiency test. See TEP Handbook for passing score requirements. Students must meet the proficiency test (C-BASE) requirements prior to starting ED 232 Principles of Early Childhood and Elementary Education or ED 234 Principles of Secondary Education. Details of the testing procedure are provided in the Teacher Education Handbook. Test dates and registration materials are available in the Education Office. No section of the test may be taken more than three (3) times. It is the student’s responsibility to obtain the necessary services/materials/coursework to remediate low scores on the C-BASE prior to retesting if necessary. The following are some resources which may be of assistance:

1. Private tutor.
2. Busse Library resources.
3. Kirkwood Community College offers some coursework.
4. Retaking a literature, math or writing course.
5. Mount Mercy Academic Center for Excellence.

A GPA of 2.70 or above is required before entering Level II courses, specifically: ED 232 Principles of Early Childhood and Elementary Education or ED 234 Principles of Secondary Education and ED 309 Reading and Language Arts in the Primary Classroom and ED 345 Math Methods for Elementary Teachers I. Some transfer students that have completed a majority of the Level I courses at another institution may begin Level II upon enrollment at Mount Mercy if they meet all of the above requirements.

The Level III application process will begin in the fall of student’s Junior year. Admittance to Level III is required to enroll in:

ED 166 Art Methods Majors K-8 with reading 2
ED 268 Music Methods Majors K-8 with reading 2
ED 311 Reading and Language Arts in the Intermediate Classroom 3
ED 319 Social Studies Methods for Elementary Teachers 3
ED 322 Secondary General Methods with Reading 2
ED 323 Art Methods Majors 5-12 (with Reading) 2
ED 324 Music Methods Music Majors 5-12 (with Reading) 2
ED 325 Methods 5-12 Business (with Reading) 2
ED 326 Methods 5-12 English/LA (with Reading) 2
ED 327 Methods 5-12 Mathematics (with Reading) 2
ED 328 Methods 5-12 Science (with Reading) 2
ED 329 Methods 5-12 Social Science (with Reading) 2
ED 333 Methods 5-12 Journalism 2
ED 346 Math Methods for Elementary Teachers II 3
ED 347 Science Methods for Elementary Teachers 3

The elementary education major grade point average is based on the following courses:

ED 102 Foundations of Education 3
ED 106 An Invitation to Teaching 2
ED 132 Children’s Literature 3
ED 164 Health Awareness and PE Methods 3
ED 165 Art Methods K-8 for Classroom Teachers 1.5
ED 232 Principles of Early Childhood and Elementary Education 3
ED 253 Educational Psychology 3
ED 263 Educating the Exceptional Person 3
ED 269 Music Methods K-8 Classroom Teachers 1.5
ED 309 Reading and Language Arts in the Primary Classroom 3
ED 311 Reading and Language Arts in the Intermediate Classroom 3
ED 319 Social Studies Methods for Elementary Teachers 3
ED 345 Math Methods for Elementary Teachers I 3
ED 346 Math Methods for Elementary Teachers II 3
ED 347 Science Methods for Elementary Teachers 3
ED 370 Education Leadership Seminar 2
ED 375 Classroom Management for Education Majors 1
ED 379 Human Relations 3
PS 124 Developmental Psychology 3

(Art and Music majors ED 166 Art Methods Majors K-8 with reading or ED 268 Music Methods Majors K-8 with reading). A 2.70 cumulative GPA is required for entry, continuation and licensure.

The secondary education major grade point average is based on the following courses:

ED 102 Foundations of Education 3
ED 106 An Invitation to Teaching 2
ED 234 Principles of Secondary Education 4
ED 253 Educational Psychology 3
ED 263 Educating the Exceptional Person 3
ED 322 Secondary General Methods with Reading 2
ED 323 Art Methods Majors 5-12 (with Reading) 2
ED 324 Music Methods Music Majors 5-12 (with Reading) 2
ED 325 Methods 5-12 Business (with Reading) 2
ED 326 Methods 5-12 English/LA (with Reading) 2
ED 327 Methods 5-12 Mathematics (with Reading) 2
ED 328 Methods 5-12 Science (with Reading) 2
ED 329 Methods 5-12 Social Science (with Reading) 2
ED 370 Education Leadership Seminar 2
ED 375 Classroom Management for Education Majors 1
ED 379 Human Relations 3
PS 124 Developmental Psychology 3

One of the following:

ED 323 Art Methods Majors 5-12 (with Reading) 2
ED 324 Music Methods Music Majors 5-12 (with Reading) 2
ED 325 Methods 5-12 Business (with Reading) 2
ED 326 Methods 5-12 English/LA (with Reading) 2
ED 327 Methods 5-12 Mathematics (with Reading) 2
ED 328 Methods 5-12 Science (with Reading) 2
ED 329 Methods 5-12 Social Science (with Reading) 2
ED 375 Classroom Management for Education Majors 1
ED 379 Human Relations 3
PS 124 Developmental Psychology 3

A 2.70 cumulative GPA is required for entry, continuation and licensure.

The Education Department Promotion and Admittance Committee reviews each application and notifies the student of the decision by letter.

Acceptance into the program is based on the following:
1. Pass the standardized proficiency test in reading, writing, and math with acceptable scores in each area.

2. At the time of application to the teacher education program students must have a minimum cumulative grade point average of 2.70 and a grade point average of 2.70 in the elementary and/or secondary majors and any other major or endorsement areas.

3. No grades below C (2.00) in any of the following courses:
   - ED 102 Foundations of Education 3
   - ED 106 An Invitation to Teaching 1
   - ED 132 Children's Literature 3
   - ED 232 Principles of Early Childhood and Elementary Education 3
   - ED 253 Educational Psychology 3
   - ED 263 Educating the Exceptional Person 3
   - PS 124 Developmental Psychology 3
   - ED 234 Principles of Secondary Education 4
   a. These courses must be completed prior to admission to Level III.

4. Proficiency in composition and speech as evidenced by grades of at least C (2.00) in one core curriculum writing course and CO 101 Oral Communication. Proficiency in speech and writing must be demonstrated in education course work and field experience.

5. Proficiency in mathematics as evidenced by a grade of at least C (2.00) in MA 125 Fundamentals Of Arithmetic & Logic or other college-level mathematics course. This course must be completed prior to junior level methods courses.

6. Proficiency in meeting field experience criteria. (See TEP Handbook)

7. Written recommendations from full-time Mount Mercy instructors.

8. All students must take either ED 232 Principles of Early Childhood and Elementary Education or ED 234 Principles of Secondary Education at Mount Mercy. These courses include an associated semester long field experience. The course and Field Experience must be successfully completed.

9. Demonstration of TEP performance criteria for knowledge, skills, and dispositions associated with professionalism in teaching. This includes satisfactory demonstration of the core performances designated for required courses in the program. Students shall document competency by submitting core assignments. All core performance assignments are scored in an assessment database. The criteria used for field experience evaluations are located in the field experience section of the TEP Handbook. Students receiving a score below a C (2.00) on a core performance are expected to initiate and receive instructor approval of a plan for demonstrating satisfactory performance by an agreed upon date, not later than the next applicable TEP application process. Grades for the initial core performance will not be changed, but demonstration of satisfactory remediation will be noted in the Student Assessment Record.

10. The Education Department Promotion and Admittance Committee reviews each candidate to consider his/her potential for successful program completion. A grade of C (2.00) or above in an education course is not the sole indicator of success in the class. A student may receive a C or above in one or more courses while needing to remediate numerous core assignments. A pattern of low core performance scores, repeated course enrollments, remediated/unremediated core assignments, and/or numerous conditional ratings on the faculty recommendation form may result in denial by the Education Department Promotion and Admittance Committee.

11. Students need to provide pupils with a positive and safe learning environment. They must be able to meet the demands of teaching in a classroom. Frequent absences from the classroom and/or a student’s inability to meet responsibilities to pupils and the cooperating teacher may delay or prevent admission to the program.

12. Students receiving a C- or below in any subject area methods course (ED 232 Principles of Early Childhood and Elementary Education or ED 234 Principles of Secondary Education, ED 309 Reading and Language Arts in the Primary Classroom, ED 345 Math Methods for Elementary Teachers I) may not continue into the Level III courses in the spring.

The Education Department Promotion and Admittance Committee may approve or deny entrance into the teacher education program and student teaching, or the committee may recommend that a student withdraw his/her application and resubmit at a later date. Letters of acceptance or denial are sent to each applicant following the committee meeting. The committee includes full-time education faculty and two additional Mount Mercy faculty. Any student who is initially admitted to Level III, but does not successfully complete those courses or chooses to go at a slower pace and therefore does not complete those courses, must reapply to the Education Department Promotion and Admittance Committee before taking Level III courses.

**Admission to Student Teaching**

Student teaching is considered Level IV. Students will apply for student teaching during the spring semester prior to student teaching. Similar to admittance to Level III, the Education Department Promotion and Admittance Committee will review student’s application materials. Students must maintain a minimum cumulative grade point average of 2.70 and a 2.70 in both the elementary and/or secondary majors and other major or endorsement areas at the time of application for permission to student teach. A minimum of a C (2.00) must be obtained in all methods courses and all endorsement area courses. Core performance expectations, outlined in number nine and ten above, must continue to be met. Secondary students must complete or be near completion of courses in their original endorsement areas prior to student teaching.

If a student’s cumulative or endorsement GPA drops below 2.70 at the end of the spring methods semester the student has the following options: change majors, return and retake the course(s) the following spring to raise the GPA, or select the nonlicensure option. NOTE: if the GPA falls below 2.50 students will need to select another major.

**Student Teaching**

Student teaching is completed in state-approved public and non-public schools in the area with certified teachers. The education program is carefully sequenced to ensure student teaching during the fall semester. Placements are based on feedback from the student, school/teacher availability, faculty judgment and supervisory responsibilities. Students are required to attend student teacher orientation in the spring prior to student teaching. Student teaching commences with fall in-service activities at the assigned school and both the cooperating teacher and student teacher workshop at Mount Mercy. Therefore, the student teaching calendar may differ from the Mount Mercy calendar. (A pass-fail grade is assigned for student teaching and a letter grade is assigned for ED 370 Education Leadership Seminar, ED 375 Classroom Management for Education Majors and ME 450 Mercy Experience Capstone).
Continuation in the Teacher Education Program

The Education Department reserves the right to retain students who, in the judgment of the Education Department Promotion and Admittance Committee, continue to demonstrate the standards expected of prospective members of the teaching profession.

Appeal

A student who is not accepted into the education program or to student teaching may appeal in accordance with the Academic/Administrative Grievance Procedure (See the Mount Mercy Grievance Policy in the Good Book). A student who is denied admission to the teacher education program has one additional opportunity to resubmit an application. This must occur within one year of the denial. Students who withdraw their application may resubmit at a later date.

Licensure

Two state mandated tests must be completed and passed with the minimum cut score required by the Iowa Department of Education in order for teacher candidates to be recommended for licensure. The Praxis II tests for specific content must be completed as well as a Principles of Learning and Teaching Test. There are several forms of these tests, so candidates should consult their advisor to ensure they are completing the appropriate tests for their major and endorsement areas. Upon successful completion of student teaching and all graduation requirements (including earning a minimum of 123.0 total semester hours), the University Certification Official recommends candidates to the State of Iowa for licensure. Applications for Licensure by the Iowa Department of Education are typically completed during ED 370 Education Leadership Seminar. A baccalaureate degree and completion of the sequence of professional education courses are not guarantees of recommendation for licensure. The student must be approved by the Education faculty, which will recommend only those who have maintained the scholastic standards required for admission to student teaching, successfully completed all student teaching requirements, and consistently have manifested a professional demeanor. Prior to initial licensure the state requires fingerprinting, criminal background checks, and passage of a state required pre-licensure exams. Students who do not successfully complete both Student Teaching placements but have met all other requirements for graduation can receive their degree, with permission of the Education Department, but cannot be recommended for licensure.

Students who are recommended by Mount Mercy may then apply to the Iowa Department of Education for licensure with the endorsements for which they are prepared; the initial license is valid for a two-year period, the substitute license is valid for a five-year period. Mount Mercy offers programs to prepare students for the following original endorsements:

- Elementary Education (K-6)
- Secondary Education (7-12) (specific content area)
- Elementary Art (K-8)
- Secondary Art (5-12)
- Elementary Music (K-8)
- Secondary Music (5-12)

Iowa state licensure requires courses that are already prescribed in the general core curriculum with the requirements including a college-level mathematics course, a natural science course, a history course, and a teacher education course in human relations to meet Iowa licensure requirements. Elementary majors must complete two science courses (a biological and a physical science).

If students plan to teach in a state other than Iowa, they are responsible for planning a program to meet the requirements in that state.

Non-Licensure Option

Non-licensure options are available for students who choose or are recommended by individual faculty or the Education Department Promotion and Admittance Committee. Students pursuing this path may receive their degree in Education but will not be recommended for an Iowa teaching license. Completion of program requirements/courses is required, with the exception of ED 370 Education Leadership Seminar and ED 375 Classroom Management for Education Majors, for an Education degree without licensure. Students who choose the Non-licensure Option, withdraw from, or who do not successfully complete student teaching may apply for subsequent permission to student teach under certain conditions. They must submit to the Education Department Chair written evidence of specific steps taken to improve in all major areas identified as interfering with prior performance, along with the outcomes of those steps. Evidence of improvement may be required in other than written form. The application will be considered by the Education Department Promotion and Admittance Committee which will also verify that all current requirements have been met. Due to the complexity of making substantial improvements in the performance areas that must be satisfactorily demonstrated, there is a one-year waiting period from the conclusion of their first student teaching/internship semester before a new application can be submitted.

Iowa Scholar Opportunity

The Education Department is required to identify the top 25% of each graduating class for the Iowa College Student Aid Commission. The Education Department has established procedures to identify these students including major and cumulative GPA, faculty feedback, and senior portfolio presentation scores. Identified graduates teaching in Iowa in specified shortage areas would be eligible, pending funding, for the opportunity to receive a scholarship during their first year of teaching by applying through the schools in which they teach. Applications are provided by school districts during their first year.

*Note: a list of the current shortage areas can be found on the Iowa Department of Education website.

Paraeducator Certificate

Students in the Education department who may choose pursue the paraeducator certificate. Specific courses are required for the different specializations. This certificate has been approved by the Department of Education in Iowa and allows those who receive it additional benefits as they pursue positions as paraeducators. These benefits include higher salary as compared to those who do not have the certificate. The certificate is offered through the Iowa Department of Education and not as a part of the Mount Mercy University degree programs.

Post Baccalaureate

Individuals with a current Iowa teaching license who enroll at Mount Mercy to obtain additional endorsements must complete a minimum of one-third or 9 semester hours of the required course work in the desired endorsement at Mount Mercy. Students whose endorsement requires student teaching must complete applications for admission to the teacher education program and student teaching. Licensed individuals may need to complete only 8 weeks of student teaching in the new endorsement area. Students with a prior bachelor’s degree need to check their personal status in relation to second degree, second major, or other special
status. Completion of a second degree (which minimally requires an additional thirty hours in teacher education beyond the original baccalaureate degree) entitles the student to participate in graduation. Note: the ME 450 Mercy Experience Capstone course is not required. Refer to the appropriate Catalog sections for further information on post-baccalaureate status.

**PREP Program**

PREP is a reduced tuition program designed for licensed teachers seeking additional endorsements or re-certification credit. PREP students are eligible for reduced tuition fees at the per credit rate currently approved for PREP Program. Teachers may apply for admittance into the program through the Mount Mercy Admissions office. Individuals participating in the PREP Program are not eligible for other forms of financial assistance from Mount Mercy. PREP students may be eligible for federal financial aid and should contact the Student Financial Services Office with questions. All endorsement areas require a minimum 2.70 grade point average for recommendation for licensure. Teachers seeking to add endorsements in reading or special education may want to consider applying to the Master of Arts in Education (http://catalog.mtmercy.edu/graduateprograms/curriculum/education) program.

**Title II Public Disclosure Requirements**

1. Major Enrollment 2015-2016: 116
2. Student Teachers in 2015-2016: 14
3. 6 supervisory faculty for student teaching
4. Student to faculty ratio: 2.35 to 1
5. 40+ hours per week of student teaching for 16 weeks

The Mount Mercy Teacher Preparation Program is accredited by the State of Iowa and is in good standing. See the Graduate section (http://catalog.mtmercy.edu/graduateprograms) of this Catalog for more information on Graduate programs offered at Mount Mercy.

The Education major aims to prepare students, among others, to:

- create equitable instructional opportunities; demonstrate knowledge of the subject areas for which they will be responsible as teachers; and
- use assessment to monitor student learning and inform their planning and decisions.

Each elementary education major must select an Iowa approved endorsement from the following list. Students also may select an institutional minor. Minor requirements are listed under the specific department requirements. All students receive a BS in Elementary Education.

**Elementary Education Endorsements:**

- **Art (K-8)**

  Early Childhood Education: Teacher – Prekindergarten-Kindergarten

- **English – Language Arts (K-8)**

- **English as a Second Language (K-12)**

- **Instructional Strategist I (K-8)**

  (special education)*

- **Instructional Strategist II (K-12** Behavior Disorder and Learning Disabilities) (special education)**

- **Instructional Strategist II (K-12 Intellectual Disabilities) (special education)**

- **Mathematics (K-8)**

- **Middle School (5-8)**

- **Music (K-8)**

- **Reading (K-8)**

- **Science – Basic (K-8)**

- **Social Science – History (K-8)**

- **Social Science – Social Studies (K-8)**

**Instructional Strategist I (K-8) Endorsement:**

This endorsement is for students wishing to teach students with mild/moderate disabilities. This endorsement requires one eight-week student teaching placement in a special education classroom and one eight-week placement in a regular education classroom. Students must maintain a minimum 2.70 GPA in this endorsement. Courses in this endorsement must be completed with a minimum grade of C (2.00).

**Instructional Strategist II (K-12 BD and LD) Endorsement:**

This endorsement is for students wishing to teach students with moderate to severe behavior disorders to include Autism/Asperger's as well as Learning Disabilities. The endorsements requires one eight-week student teaching placement in a special education classroom at level of endorsement (elementary or secondary), one eight-week placement in regular education and one four-week placement at the alternative level of endorsement. Students must maintain a minimum 2.70 GPA in this endorsement. Courses in this endorsement must be completed with a minimum grade of C (2.00).
***Instructional Strategist II (K-12 ID) Endorsement:

This endorsement is for students wishing to teach students with moderate to severe intellectual disabilities. The endorsements requires one eight-week student teaching placement in a special education classroom at level of endorsement (elementary or secondary), one eight-week placement in regular education and one four-week placement at the alternative level of endorsement. Students must maintain a minimum 2.70 GPA in this endorsement. Courses in this endorsement must be completed with a minimum grade of C (2.00).

Early Childhood Endorsements:

These endorsements are options for individuals seeking an Elementary Education (K-6) license
Teacher – Prekindergarten-Kindergarten (endorsement #103)
Teacher – Prekindergarten Through Grade 3 Including Special Education (endorsement #100)^

The endorsements require one eight-week student teaching placement in a kindergarten (ED 359 Student Teaching in Kindergarten) or primary (grades 1-3) (ED 352 Student Teaching in the Elementary School) classroom, and one student teaching placement in a prekindergarten (ED 363 Student Teaching in Pre-Kindergarten). Students must maintain a minimum 2.70 GPA in these endorsements. Courses in these endorsements must be completed with a minimum grade of C (2.00).

^ This endorsement is only available to students graduating prior to September 2019.

**ED 345 Math Methods for Elementary Teachers I: 3 semester hours**
This course is designed to offer elementary teachers an introduction to what it means to teach math for understanding including the essential skills and characteristics this entails. Emphasis will be placed on the pedagogical content knowledge necessary for the elementary teacher within the following mathematical strategies: number and operation (including early number concept development, building meaning for the operations place value concepts and rational numbers) and measurement. An associated field experience which exceeds state mandated hours is required. This course must be completed with a minimum grade of C (2.0) prior to student teaching. Pre or co-requisite: ED 232. Prerequisite: Cumulative grade point average of 2.70.

**ED 346 Math Methods for Elementary Teachers II: 3 semester hours**
This course is designed to offer elementary teachers a continuation of the work completed in Math Methods for Elementary Teachers I, to further develop the principles of mathematics education within the strands of algebra, geometry, and data analysis & probability. Focus will be upon integration of the content, teaching strategies and unique content knowledge for teaching necessary for the elementary teacher. Additionally, students will integrate and apply research-based processes to develop student learning including problem-solving, reasoning and proof, communication, connections, and representation. An associated field experience which exceeds state mandated hours is required. This course must be completed with a minimum grade of C (2.0) prior to student teaching. Prerequisite: C (2.0) minimum in ED 345.

**ED 347 Science Methods for Elementary Teachers: 3 semester hours**
This course examines the instructional methods and associated science content, skills, and attitudes needed in the elementary classroom across the content strands of life, physics and earth/space science. Inquiry and technology opportunities as well as science education issues are explored. Enrollment concurrent with the methods field experience is required. This course must be completed with a minimum grade of C (2.00) prior to student teaching. Prerequisite: ED 232 and a GPA of 2.70.

**ED 350 Classroom Management: Behavior Strategies: 2 semester hours**
This course will provide students with a basic understanding of principles of effective classroom management and preventive approaches. Observation techniques will be taught as a basis for analyzing and addressing special needs. Classroom observations will be required. This course is an elective course for students majoring or minoring in Education. It is a required course for students seeking a special education endorsement. This course must be completed with a minimum of a C (2.00) for endorsement consideration. Prerequisites: ED 102 (ED 253 can be taken concurrently) and a cumulative GPA of 2.50.
