Online Program

Mount Mercy is a leading choice for students seeking a baccalaureate degree while maintaining full-time employment. Our programs are tailored to meet the needs of the non-traditional student who is seeking to apply current and/or past work experience to their educational environment. Successful students in this program are self-directed and motivated.

Courses are formatted into five, ten and fifteen week blocks allowing students to focus on one class at a time. Most majors will be delivered entirely through the online learning platform. Some majors require in-person attendance for major courses.

Mount Mercy University offers online bachelor's degree programs (programs with required in person courses noted) in the following majors:

- Applied Management
- Business
- Elementary Education*
- Health Care Administration
- Health Care Leadership
- Human Resource Management
- Liberal Studies
- Management
- Marketing
- RN to BSN*

**Elementary Education requires in person courses. RN-BSN may have in person courses as an option.*
