CARE

The CARE team is Mount Mercy's behavioral intervention team. CARE stands for Campus Assessment Resource and Education. Living, learning, and working at Mount Mercy can be stressful and sometimes the reason behind someone who is disruptive, threatening or irrational. The CARE team provides assistance to the University community to help assess and find solutions for managing distressing, disturbing, or disruptive, and dangerous behaviors. Mount Mercy is committed to providing a quality learning environment. Faculty, staff, friends and family will often be the first to encounter a person who is in distress. Encouraging and helping the student to seek assistance with the appropriate campus and community resources is important. Possible topics of concern for your friend, classmate, teammate or colleague:

- Abusive relationships
- Aggression
- Anxiety
- Bias/Hate Crimes
- Bullying
- Demanding behaviors
- Depressions
- Disruptive behaviors
- Discrimination
- Disordered eating
- Grief
- Harassment
- Hazing
- Domestic/Dating violence
- Learning disabilities
- Self Harm (example: cutting)
- Sexual assault
- Substance abuse
- Suicide

If you are concerned about someone, consider submitting a CARE report. Ask yourself:

- Is this person's behavior distressingly out of the ordinary?
- Is this beyond my skill level?
- Is the behavior getting worse?
- Does the behavior place anyone at risk?
- Have I attempted to intervene with little success?

If you answered yes to any of these questions submit a CARE report (<https://www.mtmercy.edu/care-form/>) and the CARE Team will work to provide support and assistance to the person in need!
